Montana High School Sports Record Book Application/Correction Form

Please complete all information below. Please type or print. Application must be completed in full for consideration. Please use one application/correction form per mark or performance. If more than one mark or performance, please include comprehensive list and attach to application. Applications are invited for all performances which might be considered for inclusion in the Montana High School Sports Record Book, whether as a new record or for listing among the top performances in a particular category.

Required along with the application are acceptable verification including but not limited to media reports, scorebooks, statistical material, or any other accounts of the performance, etc. All verifying material shall become property of the MHSA. Photocopies of verification material are encouraged. Photographs of the performance and of the individuals or teams involved can be included and shall become property of the MHSA.

This application/correction should be forwarded to Brian Michelotti at the Montana High School Association.

Performances must be established in competition conducted in compliance with the eligibility rules of the Montana High School Association and all National Federation playing rules for the sport involved if the National Federation publishes a rule book for that sport, unless in the judgment of the MHSA Records Committee, the different rules of play do not significantly give advantage to the establishment of the record performance.
