- elementary attendance boundaries
- New elementary students moving to this area will be assigned to attend Durham Elementary School.
- middle school attendance boundaries
- high school attendance boundaries

Transfers/School Choice

The Tigard-Tualatin School District has established attendance boundaries to balance classroom enrollments between schools. The district also offers a very limited in-district transfer or school choice program. Several schools are closed to new transfer or choice students and others have only a very few openings. Parents who are considering transferring their student to a school in a different attendance area should call the district office, 503 431-4000 to find out the guidelines.
