The Southern Ohio Adult Soccer Association is very pleased to announce the affiliation of a new Men's Open league. The **MID OHIO VALLEY FUTBOL CLUB** will begin play under the SOASA umbrella starting in the spring of 2018. The small side league is located in Belpre, Ohio across the Ohio River from Parkersburg, West Virginia. The President of the MOVFC is Kevin Atherton, a Vermont native who grew up playing soccer. When he moved to Ohio, there was no soccer available. He was determined to keep playing and to introduce the locals to the sport he loves. We welcome Kevin and the league into SOASA. We pledge to help him be successful growing the game in southeast Ohio
