Member's comments: Any member of the association may raise issue to the BOD at this time. Speakers are asked to limit comments to five minutes. If more time may be needed, please make prior arrangements with the President via any Board member. After this item, the meeting may be closed at any time by motion, second and a majority vote of the board.

2. Reports:

Director of Hockey Operations (Mike Young):

PHL: Our biggest concern is that at the lower levels, there are not a lot of teams in the league. The competition is all over the map. We may start thinking about exploring other hockey leagues to play in.

President (Jeremy)

Tuition:

1. Motion to waive a players tuition for the 17/18 house league tuition. Scott made a motion, Jolynn seconded it and all were in favor.
2. Another player is looking for tuition reimbursement for late fees due to circumstances. Scott made a motion to extend the payment plan until the end of Feb with late fees accruing and all payments and fees need to be paid before spring 2018 tryouts. Jolynn seconded the motion and all were in favor.

First Shift:

First shift went really well. Jeremy is following up with the parents who signed their kids up. We want to make sure everything went great from the parents perspective.

Program Survey:

We need to get our program survey ready to send out. We should do the goalie survey at the same time.
