

How to add Rosters folder to your Google My Drive

This will link will only work for those users that are approved to access the ICWL Rosters. This list includes: Coaches, Assistant Coaches, League Reps, League Rep Alternates and Match Up Coordinators.

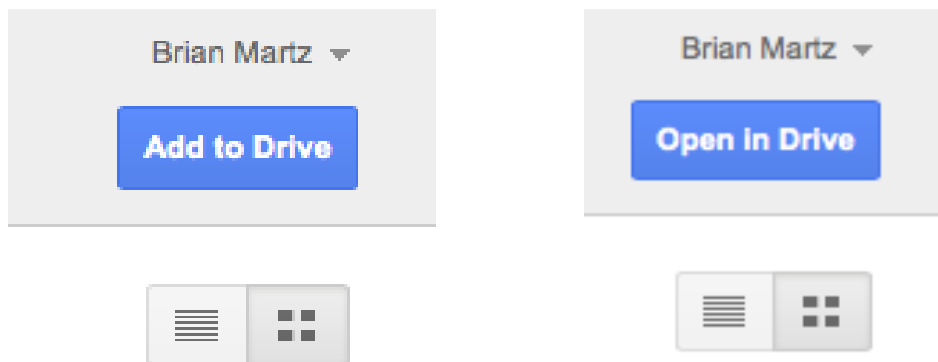

This is not something that is available to all parents. Any access changes must be sent via email to admin@intercountywrestlingleague.org.

Please remember, everyone has read/write permissions, so if you delete something, it is deleted for everyone. Should you find any issues with data disappearing from your roster, contact me and we can determine who and when this data was deleted.

Click on this link (link below is for the 2018 Season):

You will see a box in the upper right hand corner "Add to Drive" click on that then you will see "Open in Drive", click on that box.

You will then see the 2014 Rosters shared folder under your My Drive
