

2019 COLORADO THUNDERBIRDS MIDGET EVALUATION/ID CAMP

The Colorado Thunderbirds are happy to announce that our Thunderbirds Midget Evaluation/ID camp will be April 12-13, 2019, at The Ice Ranch. We have created this ID camp to get an early read on players heading into the main tryout camp in June. We do encourage all midget-aged players interested in playing on one of our future Thunderbirds teams to attend the ID camp. Attendance will help our evaluation and will allow the staff to gain some familiarity with the players and families of future Thunderbirds candidates. We also offer our Midget Developmental Skates from April 30 thru June 4 for other training opportunities.

The Thunderbirds program is a big commitment and the families and players spend a lot of time together. The ID Camp or Midget Developmental Skates are voluntary, not mandatory, but are highly recommended. It helps the coaching staff to have some type of relationship and history with the players prior to the main tryouts from June 5-8. This will allow our coaching staff a better way to help identify future Thunderbirds players/families that will blend and mesh into a successful team family.

Please register online according to your birth year, but the Thunderbirds staff reserves the right to move players between evaluation sessions. It is recommended that players who are interested should register early. Space is limited. Registration cost is \$105. The camp fee is **non-refundable**.

The main tryout camp for the Colorado Thunderbirds 15U, 16U, and 18U teams are scheduled for June 5-8, 2019, at The Ice Ranch. Tryout registration information is available online.
