

Dear Local Community Partner,

The Zimmerman Youth Baseball Association would like to extend an excellent civic opportunity to participate in sponsoring a youth player or team this 2019 baseball season. Your generous tax-deductible donation will allow those, less fortunate, to participate in organized youth baseball this season. In addition to helping the youth, you will also help the organization continue to grow and provide an opportunity for youth baseball in the Zimmerman area.

It takes a great deal of volunteer time and money to operate an organization. Generous donations from our local businesses and community members are needed for preparing and maintaining fields, replacing worn equipment, uniforms and hardship scholarships for those who cannot afford the costs associated with baseball.

There are several ways you can sponsor:
