

# South Anchorage Baseball Future Wolverine Camp Fundraiser

The South Anchorage baseball program is proud to announce the first annual future wolverine baseball camp. South Anchorage baseball has a rich tradition of baseball excellence over the relatively short amount of time that we have been a program, appearing in the state finals every year for the past 5 years, winning 2 state titles. Campers will be instructed by our coaching staff as well as a number of our South players and special guest instructors. The proceeds that are raised through the camp will directly benefit the south players instructing at the camp as well as our whole program in purchasing baseball equipment for use with our current players and future wolverines as well. We thank you in advance for your help!
