

2018 REP UNIFORM FITTING

Thursday February 22nd, 6-8 pm at the Civic Fieldhouse

Saturday February 24th, from 9-12 pm at Iroquois Park

Our intent with the uniform fittings is to have returning rep players the opportunity to get properly fitted. We are not opposed to new players attending the fitting. Returning or new players must understand being fitted for a uniform does NOT guarantee making a team.

The topic of rep uniforms was recently discussed with the Lady Blue Knights Board of Directors. The reasoning behind the discussion was to find a way to reduce the costs to parents as well as to reduce the waste of having multiple uniforms.

After researching various options the following was decided on:

1. Change our process of providing a new uniform every year
2. We are adopting a 3 year cycle for the uniforms
3. Uniforms are no longer included in the Rep Fee's
4. All players will be required to purchase a new uniform this year
5. The same jersey and kilt will be used for 3 years
**note – if a new jersey or kilt is required due to growth, replacing a lost one or just wear and tear, then one can be purchased*
6. At the end of the 3 years, a new uniform will be designed and every player will need to purchase a new one at that time.

The cost of the Nike uniform will be \$125 including tax for a jersey, kilt and jacket.

The uniforms must be paid for the night of the parent/player meeting on April 19th

IMPORTANT – UNIFORM FITTING

In order to ensure that players get the correct fit, we have scheduled fitting times during which players can try on the kilts and jerseys. The uniforms orders will be placed immediately following the 2nd fitting, to ensure they are received in time for our first games.

Players **MUST** attend one of the following fitting sessions:
