Dear Prospective Donor / Sponsor,

The PONY baseball organization, which Dana Point Youth Baseball (DPYB) is a member of, was created for all players to be able to participate in baseball. We want to **Protect Our Nation's Youth** as they grow into young men and women and leaders of tomorrow. PONY is a community based program for everyone in the family to enjoy. The Dana Point Youth Baseball league is a non-profit organization that provides the means for our community youth to develop qualities and attributes that will benefit them for the rest of their lives. We serve the local South Orange County communities including San Clemente, San Juan Capistrano, Laguna Niguel, and of course Dana Point, to name a few. In order to keep our costs reasonable and to continue to offset the cost of scholarships, the league must perform various fundraisers throughout the year. The league is grateful for any donation or sponsorship from your establishment to assist DPYB in this effort.

Thank you in advance for your help.
