

Dynasty is entering teams into the JCPRD league session that runs from late March through early May at Okun Fieldhouse in Shawnee. **This opportunity is perfect for 2nd and 3rd graders who want to learn to play team-level volleyball.** Players will be learning from experienced club coaches in a family-oriented environment.

Players will get a numbered t-shirt and four 90 minute preseason practices as well as practice on Sundays immediately before their scheduled matches. The playtime commitment is one day a week , mostly Sundays. Practices will be at Dynasty. Double header matches will be on five Sundays (and maybe a Friday or two max) from late March through early May at Okun Fieldhouse.

The focus of this program will be on teaching the "fun"-damentals. Playing time in league matches will be as equal as possible, and all players will get exposure to each position on the floor. Though we are competing and will coach competitively, the focus will not be on wins and losses.

Girls and boys may play on these teams.

Cost is \$165.00 per player.
