

# Youth Sexual Abuse Prevention Policy & Procedures

*As a youth-serving organization, Illinois FC considers the safety and well being of the youth in our programs a top priority. We prohibit abuse and strive to proactively address reports of this type of conduct, even if it means that someone will be embarrassed or upset. We want to hear about problems or concerns, and we will strive to act on them in a fair way in accordance with our policies.*

***We will report suspected abuse to the proper law enforcement agencies.***

## **Policy and Procedures:**

Illinois FC has adopted the following Policy and Procedures in an effort to provide a safe environment for our coaches, athletes, and their families.

1) The **Coach Recruitment** process shall include the following:

- a) Coach Application – Every coach and staff member working with youth must complete our organization’s written application that sets forth appropriate background information, requires disclosure of any prior claims or allegations of sexual abuse or other inappropriate conduct, and provide the names of at least two individuals as references.
- b) Screening – A designated representative(s) of the organization will interview each prospective coach/staff member.
- c) Background Check – All current and potential coaches will be subject to a background check, including appropriate inquiries regarding any previous record of sexual abuse or other unlawful activity. This background check will be updated at least every two (2) years for each coach.

2) An **Abuse Prevention Orientation** shall be conducted annually with coaches and staff members. The Kidpower/Positive Coaching Alliance video, "Protecting Youth Athletes from Sexual Abuse: Key Actions for Parents & Coaches," will be shown and the companion information sheet, "Protecting Youth Athletes From Sexual Abuse: Key Actions for Parents and Coaches," also available on Kidpower’s website at <http://www.kidpower.org/youth-sports/child-abuse-prevention/>, will be distributed. These will also be available online for all parents and participants.

### **3) Prohibited Behavior**

- a) Use of degrading language or behavior. Coaches are also responsible for stopping disrespectful behavior between team members, including sexual harassment.
- b) Threatening or intentionally inflicting physical injury upon anyone, especially a minor. Coaches are also responsible for stopping threatening behavior by players.
- c) Committing any sexual offense against a minor, or engaging in any sexual contact with a minor.
- d) Making any sexual advance, or engaging in other verbal, or physical conduct of a sexual nature with a minor.
- e) Non-related one-adult/one-child interaction except in an emergency where following this policy would be dangerous to the child. In an emergency situation, the coach or volunteer must contact a representative of the organization to inform him or her of this contact and the reason for it. If a child is receiving individual instruction or working with a private coach, this activity must be in a public setting rather than behind closed doors.

### **4) Reporting of Suspected Child Sexual Abuse**

- a) A member of the Board of Directors or other official representative will be designated to receive reports of sexual abuse or other inappropriate conduct. This representative will promptly notify the proper law enforcement agencies.
- b) All coaches, staff members, parents, and program participants are directed to report any incident of abuse or suspected abuse that they witness or that is reported to them to the designated representative of the Board of Directors. Note: This does not preclude individuals from reporting abuse or suspected abuse to the proper law enforcement authorities.
- c) The designated representative will keep other Board members fully informed.
- d) Should a suspected incidence of abuse be reported, the coach/staff member in question may be temporarily suspended from duties while an investigation takes place.
- e) The Board of Directors, when appropriate, shall communicate reports of child sexual abuse to the league members. The confidentiality of any who makes such a report will be protected.
