COMMENTS FROM FORMER CAMPERS

Great Camp!! Drills were easy to understand and challenging. The camp greatly improved my game.
Ashley, Oak Creek

Fun Camp The camp helped me improve my ball-handling and shooting like no other camp!

Dante, Milwaukee

Awesome Camp! Drills were competitive, competition was great, and the whole camp experience increased my ability level and confidence.

Matt, Brookfield

I learned a lot of new things such as post moves, pivoting under pressure and ballhandling. One of the best camps I ever attended. This camp is a must for the player who wants to take their game to the next level.

Kendra, Milwaukee

Learned many new skills to help me next season. What I liked about the camp was the level of teaching and not a lot of sitting around as I have done at other camps.

Sonya, Hartford

Mike Gosz Director

Mike Gosz begins his 25th year directing day camps in Southeastern Wisconsin. In addition, he was the associate director of the Don Gosz Basketball Camps and is in his 31 years.

He was the head girls' basketball coach at Sussex-Hamilton High School and prior to that, he served as the assistant head coach for the boys' basketball program and as an assistant for the UW-Whitewater men's basketball program.

He has been chosen as an assistant coach for the WBCA All-Star game and in his first year as the girls' head coach at Sussex-Hamilton, his team qualified for the sectional tournament.

Mike's new video, "Fundamentals First", produced in 2005, is a two hour instructional film featuring many INDIVIDUAL ball handling, dribbling, shooting, low post and perimeter moves and some team/group passing, pivoting and shooting drills. These skills are necessary both in the development of a young basketball player and for a person interested in coaching young players.

Philosophy

Good basketball players are committed to taking their game to a different level. If you fit into that category, you will not want to miss this opportunity. If you are ready to accept the challenge of working hard, improving your skills, and have a great deal of fun, come join the Mike Gosz Basketball Academy staff at my camp. We want each camper to have a great experience and walk away having learned something new and feeling great about the game of basketball.

Basketball Academy Goal

My Goal is a simple one, to provide the best instruction possible to help you become a better basketball player. I will strive to make this the best camp you will ever attend.

About The Basketball Academy

The academy is designed for the serious player who wants to take their game to another level. It will change your overall approach to playing the game and will incorporate speed and agility training. I highly encourage only those with previous playing experience on an organized team attend. This academy will provide strong competition and more individual instruction than any other camp you have attended. (Lunch will be provided.)
