

# Anthony Bohn Skills Academy

For

## Aberdeen Hockey Association

Anthony Bohn Skills Academy will give young hockey players and their parents a deep look inside of what it takes on and off the ice to play Junior "A" and collegiate hockey. The Skills Academy wants to inform players and family to learn details about the different Junior leagues across the country, NCAA Clearing house, and what it takes to move on at every level Anthony Bohn has helped develop players for NCAA, major junior, Junior, and Pro. The main purpose is to develop players and teach the necessary tools that can help all players advance their careers.

### High performance on-ice skill development

Cougars will be able to take advantage of a well-trained and experienced coaching staff and Wings players. Low instructor to student ratios. Cougars will be getting the experience of what it's like during a Junior hockey practice. Our staff is driven to get the absolute best out of each member of the program, now and for the future. An emphasis will be placed on the development of high-performance skill and techniques.

Minimum of 10 kids per session, maximum is 20 per session

---

**\$20/Session – Take 1 or take all 4**

---
