QUICK SCORE EDIT STATS

Quickly update the game score and status only (no stats). Manage stats in tabular format.

7. Enter scores and pitch counts
 - a. Score By Inning: Enter runs scored by inning
 - b. There will be a **Pitcher Stats** Box for each team. Add each pitcher and pitches thrown for all pitchers on both teams per Green Book rules, not actual pitches thrown.
 - i. Example: Pitcher starts batter with 33 pitches, but finishes that batter with 37 pitches and is removed from game. The pitch count is recorded as 33 for days of rest reporting purposes.
 - c. Scroll to bottom and click Save Stats
