Virginia Development Academy Showcase accepted as approved DA event

Woodbridge, VA (October 16, 2017) – Virginia Development Academy (“VDA”) announces the VDA College Showcase, a U.S. Soccer Development Academy (DA) sanctioned event, February 17-19, 2018. The VDA College Showcase replaces the PWSI President’s Day College Showcase.

The Showcase will be played on turf fields in Northern Virginia and is open to all 15U-19U boys and girls teams, including Development Academy, US Club Soccer and US Youth Soccer.

“The PWSI President’s Day Showcase has been a successful event for several years providing additional competition and exposure opportunities for our players,” said Mike Cullina, VDA Academy Director. He continued, “Virginia Development Academy taking over the operations of the event and receiving Development Academy sanctioning will only improve the quality of the event and attract additional college coaches to the benefit all participants.”
