Fundraiser:

April 14-15 (two day tournament at EVHS - single location only)
9th grade team will play in the tournament
*sign up for your team's clock spot
DIBS will come out as soon as the schedule is available
Reminder - each player in any given family = 3 credits
Concessions - will have basic items (hot dogs, pizza, walking
tacos) - will add Berry Blendz
Double-check permits with Joan Beckmann
Get custodial request for 300 chairs
Request custodial service for tournament - 2 days

Summer Opportunities:

University of MN team camps - June 24-26
University of Madison team camps - June 15-17
break in AAU season
who will attend? Depends - usually JV/V
Fastbreak Summer League
Holle's working on this - working to get teams signed up
The number of teams for EV will depend on how many
schools sign up
Opportunities for summer skill development - basketball specific
Looking for basketball specific training
\$500 for summer training available
Renegade, Mashfit in Eagan
Do we look at coaching-endorsed training, or 6th Man Club
paying for skill development?
Needs to be a conversation now - not at summer
Coach Monroe - AAU season is primary; some kids don't want to
compete with this program - team bonding would be
beneficial
Programming could be a positive - find skill specific activities
Are we competing with Super Group?
What would the coaches like? Which do we think is better?
Super Group fee for summer - about \$100
Training piece - should we spend money to fix the gun that's not working?
Maybe this is something for August - after AAU is done?
What about having an open gym for shooting - using the guns

Next meeting in April - go home, talk with boys to see about their interest in
something in addition to what we have at EV (i.e. Super Group) -
training at a different location, trying to find something that develops them as
a team, etc.

Coaches Corner:

Trevor Monroe - nothing to report

Next Meeting

April 9, 2018 - EV Student Commons, 7pm

Meeting Adjourned at 7:55 pm
