

**Draft - OYHA Summer Equipment Rental Policy**  
**Last Updated 3/12/2018**

The Ozaukee Youth Hockey Association (OYHA) understands the importance of giving kids an opportunity to try skating and playing hockey at a reasonable rate and in a safe environment before investing money into fees and equipment. We have made it a goal to try to provide equipment to everyone who needs it. While OYHA greatly encourages other sports during the off season as recommended by the American Development Model (ADM), we also understand that many players want to continue to play during the offseason.

OYHA has a limited number of rental bags available for the Spring and Summer seasons. These are first come first serve and are available starting with first year Learn to Play skaters. The bags do not include hockey skates or sticks. Families are responsible for providing their own skates and sticks.

There will be a non-refundable bag fee of \$30 (this helps us replace the bags after a few years) and a deposit of \$80 that will be returned to you at the end of the summer pending the return of all equipment. BAGS MUST BE RETURNED BY AUGUST 31st to have the gear available for our Try Hockey for Free Sessions. Bags not returned by August 31st, will not have the deposit returned.

Kids will try on equipment to ensure proper fit and the process can take 20-30 minutes. In the event that we run out of bags, each family would be responsible for purchasing or finding proper equipment for their players.

A fitting session can be organized with our Learn To Play Coordinator - Caitie Bowers ([CWundergem@gmail.com](mailto:CWundergem@gmail.com)). Bag returns will also be coordinated with Caitie.
