Options for party rooms:

1. *VIP Rooms*: City National Arena has two VIP Rooms that have windows overlooking each one of our ice surfaces. These rooms are great to overlook the ice rink and are very spacious. These rooms are on the second floor of our facility, and skates can not be worn on this floor. All skates must be removed to access these rooms. The maximum capacity of these rooms are 35-40 people.
2. *Locker Rooms*: Located in the hallway under the stands, these rooms are on the first floor of City National Arena and are easily accessed from the ice surface the public skate is being held on. Tables are set up in a "U" shape and we utilize the bench spaces around the perimeter of the room, and we add supplemental chairs within the "U" shape. Skates can be worn inside these rooms, and skaters can go in and out between skating on the ice and the locker room. The maximum capacity of these rooms are 25-30 people.

3 – Come skate and celebrate!

On the day of your party, the hosts of the party can come up to a half hour early to meet their hostess, pay remaining balance, and purchase any additional menu items. The main goal of your party hostess on that day is to ensure everything runs smoothly. Here are some of the expectations we have for our party hostesses:

- Have the party room pre-decorated before guests' arrival
- Check in party guests
- Escort guests to the party room
- Ensure food arrives on-time
- Lay food out and help serve to guests
- Help with cleaning and the change-over between eating pizza to dessert
- Help with serving dessert
- Get menu add-on orders to the restaurant
- Keep the party room tidy
- Help guests get skate sizes and tie skates
- Clean the room at the end of the party

***Our hostesses will not skate with your party. They are there solely to make your party go smoothly, on schedule, and keep everything as tidy as possible. City National Arena provides a skate guard during every public skate to keep guests safe on the ice.*
