

# **RULES FOR CAVELERO MID HIGH STADIUM USE**

- **Coach must check in with the Stadium Coordinator prior to entering the stadium.**
- **NO skateboards, NO bicycles, NO pets are allowed on school district property.**
- **NO Gatorade, NO seeds, NO food, NO animals, NO gum allowed on the track or field. WATER is the only beverage allowed on the track or field.**
- **NO cleats are allowed on the track to run or warm up. Cleats must be free of dirt and sod.**
- **Teams may not enter track or field without a coach and must be supervised at all times.**
- **Children in the stadium will be visibly supervised at all times inside and outside the stands.**
- **NO admittance to the baseball field.**
- **NO smoking or tobacco of any kind, including chew, on school property**
- **ALL garbage MUST be picked up and deposited in the garbage cans.**
- **ALL SPECTATORS MUST REMAIN IN THE STANDS DURING GAMES AND PRACTICES.**

**Have fun using our beautiful new facility!**

**Please make note of some important school rules we must follow....PLEASE MAKE SURE TO NOTIFY YOUR OPPOSING TEAMS AS WELL!!**

- 1) This is a gated field. Please wait for the School Official to give you and your team access to the turf field. Please make sure you also let your opposing team know to wait for the school official, should they arrive before you. Please DO NOT jump the fence or squeeze through the fence. If the field is empty, but the gate is unlocked, please wait for the school official...she will meet you at the gate and check your team in. The school has been notified to have the gate opened and someone waiting for the teams one hour before the first game.
- 2) NO Sports Drinks, Coffee, Hot Chocolate, etc allowed on the track and field turf. ONLY WATER is allowed. If you want to drink something other than Water, you can do this in the Stands. No Food is allowed on the track and field as well. Please make sure to let your opposing team know this too. As always, it is very helpful to keep our fields and stands clean, please be sure to pick up after yourselves and throw away your trash or take it home with you. Even if it's not yours, take a moment and help us out!!
- 3) All spectators must remain in the stands or ramp area. The only people allowed on the track and field are coaches, players, team manager, and referees. That means all siblings, parents, grandparents, etc must remain in the stands at all times. You may NOT walk the track in between games. The track is closed during our rental hours. There is a school bathroom located at the field for our use. It is just across the drive area from the field, door to the bathroom is outside of the school so you do not need to enter the school for any reason.
- 4) NO PETS ALLOWED on School District Property, anywhere. Please leave your lovable pets at home. Please make sure you notify your opposing team to leave their pets at home too.
- 5) If you or the opposing team would like to use a pop up tent. You must get approval from the on site school official first. The tent will need to have Rubber mats or Rubber Cups under the legs to prevent turf/track tear. Please do not Stake in the tents on the track and field. It will ruin the turf and the track and will prevent our Club from having access to this really nice field. Yes, I know this sounds crazy, but we had an opposing team put up their tent and stake it into the turf...thankfully we caught it right away and there was little damage done.
- 6) If there is an emergency at the field, please find the School Official and let her know, especially if you need an aid car.
