

2018 SCLL Yearbook - TEAM PHOTOGRAPHER Upload Instructions

Candids due: SUNDAY APRIL 15th

DO NOT PROVIDE IMAGES LIKE THESE:

These are better for kind of photos needed

We will crop to fit for layouts so please do not provide "photo collage" of your team.

****Photos need to be 300dpi at final size (4x6) for printing (around 3-5 Mgs). 128K will probably be too small**

PLEASE DO NOT EMAIL PHOTOS TO ME. CONTACT ME IF YOU ARE HAVING ISSUES

We will need 8 to 12 candid shots of your team by **SUNDAY APRIL 15th** to be included in the 2018 yearbook.

Please pick only 8 to 12 of your best candids. Please assign an official team photographer and be sure to share the following guidelines.

*** Photos will be cropped to fit several on the page. Not all photos will be used.

- 1) Please **DO NOT** Repost files from Shutterfly or TeamSnap kinds of folders - Post the **ORIGINAL** Photos (those programs resample to lower res images)
- 2) Do **NOT** give 30 photos for us to "choose the ones we think are best" - we do not know your team and **WILL POSSIBLY CUT YOUR OWN CHILD**. No Kidding.
- 3) The **BEST** photos are the small 2-5 person **GROUP SHOTS**, not a bunch of full team shots
- 4) Coach photos are **NOT** part of your "final 12" (so don't neglect them because you've already got your 12 photos)
- 5) Please also provide photos of Opening Day, or photos of just "Baseball" general photos if you have some you like. Separate folders have been set up for those.
