Glendora Lassie League All-Star Commitment Form 2026

In addition to the regular season, Glendora Lassie League ("GLL") is extending the opportunity for All-Star participation to players who meet the Board's basic requirements. These include skill, sportsmanship, availability, and commitment. This form is being distributed to all GLL players and does not constitute a nomination for All-Stars. Only those who sign the commitment form will be considered for nomination.

The All-Star fee will not exceed the amount of \$500 for player participation, applicable to each Gold, Silver & Bronze All-Star player. The exact fee amount will be shared upon selection to a team. This fee primarily covers the following: Four tournaments (including our Pride of the Foothills tournament), two jerseys, equipment bag, helmet, and equipment bag embroidery. This fee is mandatory. The actual cost per player is higher due to tournament expenses. GLL subsidizes much of this cost through fundraising. Please note that additional costs for travel and hotel fees for any tournaments will not be covered by GLL, and not all tournaments are guaranteed.

The All-Star seasons starts in May and runs through July, with possible extensions for Championship play, including State, Regional, and National tournaments. Players are expected to attend all practices and games. We understand this is a significant commitment, and by accepting a nomination, your daughter is prioritizing All-Stars over other commitments. If you have any significant plans for your daughter during this period that might conflict with All-Stars, please disclose them below. This does not automatically exclude her from being an All-Star, but it may influence the All-Star manager's decision on team selection.

Note: If a player quits or is removed from the All-Star team due to disciplinary or attendance issues (excluding disclosed reasons), she will be ineligible for All-Stars the following season. Additionally, if a player is selected for the "Silver Team" and withdraws because she wanted to play on the "Gold Team", it will be considered a violation of the commitment.

Additionally, a team may at any time pick a player from another All-Star team within the same division due to an injury or extenuating circumstances with Board approval. If a player is picked up, she must change teams and then becomes locked into that team for the remainder of the All-Star season. For example, the Gold team may pick a player from the Silver or Bronze team.

Please refer to the last page of this application for tentative tournament dates. Tournament dates are subject to change.

If your daughter participated on a team other than her GLL drafted team between January 1st through March 31st of the current year, she is considered a travel ball player according to USA Softball rules. An All-Star team shall not have more than four (4) players who played with a travel type team after January 1st of the current season. Further, there can be no more than four (4) travel ball players per division within the league. Additionally, if your daughter participated on a team other than her GLL drafted team after March 31st of the current year, she is ineligible for All-Stars. According to USA Softball, "participated" is defined as taking part in a try-out, practice, practice game, scheduled game, or tournament. USA Softball restricts any involvement with travel organizations during the All-Star season.

Has your daughter participated with a team other than her drafted GLL team during the current 2026 Lassie League Season?

_____ YES _____ NO

If yes, please provide the date she stopped participating: _____

By signing below, we acknowledge our daughter's interest in participating in All-Stars. We understand that this acceptance does not guarantee her a spot on a team but allows her to be considered. Furthermore, we recognize that if our daughter is selected, there is no mandatory playing time in games. Positions and playing time are at the sole discretion of the manager. Along with our daughter, we have read, understood, and agree to the requirements and commitment associated with the 2026 All-Star season.

Player Name: _____

Player DOB: _____

Player Signature: _____
