## SARACENS SIXTIETH

Some really big stuff happened in 1958: NASA was formed; the first Trans-Atlantic passenger jet service began between London and New York; the microchip was invented and hula hoops hit the market. But the most influential event of all: The Calgary Saracens Rugby Football Club was formed!

Please join us in celebrating 60 years of rugby, friendships, community and fun! Celebration events planned for Friday, July 20th-Sunday, July 22nd. To stay up to date on the festivities click [here](#).

Tickets for the 60th celebration dinner can be purchased [here](#).
