50	Friday	5/11/2018	Juniors	Nationals

Please keep in mind that
if your date is "rained out" you are
responsible for making up that date.

Since Ocoee Little League is a 100% volunteer organization and a large portion of the league's income is generated by the concession stand, parents are required to help out in the concession stand a few times throughout the season. The concession schedule should never conflict with the parents' players' games. There is a buyout option if the parents can not or choose not to work their shift. This buyout however must be paid in advance of the scheduled shift.

Let's Play Ball
