

Boerne Soccer Club

P.O. Box 2117
Boerne, Texas 78006

Boerne Soccer Club has been proudly serving our community since 1979. Located in the Texas Hill Country, we are a non-profit youth soccer club that provides our diverse community quality soccer opportunities for youth of all ages and skill levels. The club offers a range of levels of competition, including Recreational, Academy, and Select soccer programs, as well as skills training and camps throughout the year.

Our volunteers and staff coaches do a great job of teaching a team sport that provides enjoyment for the whole family, develops character, ability, and sportsmanship, fosters a healthy lifestyle, and encourages each player to achieve his or her highest potential on and off the soccer field.

Boerne Soccer Club consistently serves over 1300 players as young as three years old (BSC Tots) who are beginning to kick a soccer ball through our 18-year-old senior players who are heading to college. The uniforms, practice shirts, and equipment our players and families wear and carry are seen throughout our community as well as in San Antonio and throughout the state at various games and tournaments. Partnering with an organization like Boerne Soccer Club gives you not only the opportunity to greatly impact our community, but also to advertise your support in a wide range of venues.

A significant portion of our sponsorship provides financial aid based upon the needs of the family to any player so that all children can play organized soccer at Boerne Soccer Club.

Sponsorships also support enhancements and renovations to fields, facilities, and equipment for all children to enjoy as part of their soccer experience.

With the support of our valued sponsors, Boerne Soccer Club can continue to deliver our mission of developing ability and character through soccer to all players in a fun and safe environment.

We have varying levels of support available and would love the opportunity to speak with you more about becoming involved. Please contact me via phone and/or email to further discuss your interest in becoming a club sponsor. Thank you for your consideration.

Sincerely,

Samantha Griffiths
