Congratulations ESYBL Team Sportsmanship Award Winners!

- NL - Lake Mills Blue
- AL –Lake Mills Bank of Lake Mills

Comments and Suggestions from Surveys, emails, personal communications and Website:

Note: Comments below are general. All are encouraged to read the detailed scores and feedback from the Coach, Parent, Player and Umpire surveys below. Identify issues with your team or in your individual community and try to address those in coming seasons.

Balanced teams throughout the league
Have information sent out sooner
Less travel time play closer to home
Play a wide variety of teams
Coaching was good
Some venues were really fun to attend
Work with umpires to know the rules
Coaches should read the rules before sending our league wide emails
I was pleased how the season went
Fun to see league teams supporting each others community tournaments
The number of games played was great
Games were competitive and teams were split about as even as you can get
Coaches were great to work with throughout the league
Start season later in the year
Fans were disruptive and need to know the rules
Umpires need to study the rules more.
Coaches need to treat the umps with more respect
Championship games played at a community with lights due to no time limit
Rescheduling games was tough, would have been nice to have an extra week
Good competition this season
All teams use the same draft process
Requiring batter's box on the field
Coaches need to stop arguing so much about balls and strikes
Would like to see a dropped 3rd strike rule
