Elite Youth Soccer Club is pleased to announce we are joining the Greater Raleigh Division of the newly formed Carolina Champions League (CCL). On April 27, 2018, US Club Soccer announced the creation of the Carolina Champions League comprised of eight clubs in North and South Carolina. To establish a presence in the east, on May 9, 2018, the CCL created the Greater Raleigh Area division (see article in news section).

EYSC President Jill Booth is ecstatic and proud to join other like-minded clubs in this new venture. She sees this as a golden opportunity for EYSC to grow and for our athletes to face better competition on a regional versus local level.

Play is set to begin with the Fall 2018 season
