FALL 2018 COACH REGISTRATION

All coaches are required to register online in order to coach with Southern Nevada Soccer Association's Henderson United Youth Soccer, Southern Highlands United or Mini Kickers youth league programs for the Fall 2018 season. **The Fall 2018 registration period will start in early June.** SNSA will be using the Blue Star Sports registration platform for the Fall 2018 season. The Blue Star system provides integrated background checks for new coaches; allows you to include team reservation information within your coach registration form; and includes the "Team Connect" feature to access live roster updates and to communicate directly with the families on your team. Follow these steps to register:

1. Go to our website at www.snsasoccer.com and click on the "ONLINE COACH/TEAM MANAGER REGISTRATION" link in the Quick Kicks section on the home page.
2. Complete and submit the online registration form. Be sure to indicate the team and/or player you are requesting to coach. You can include your team color preferences and returning player list as part of your coach registration.
3. The background check system is integrated as part of the registration system; coaches that need a background check will not need to complete a separate application.
4. New coaches will be required to complete the CDC Heads Up Concussion online training course and will be provided with a link to the course and instructions to submit the completion certificate to SNSA.
5. If you are a new SNSA coach you will need to email a photo (.jpg, .png or .pdf format) to info@snsasoccer.com. The photo will be used for your staff identification card.
6. All coaches that register for the Fall 2018 season will receive a coach identification card for the 2018-2019 soccer year (valid from August 1, 2018 – July 31, 2019).

Coaches that do not register online are not officially registered with SNSA, and therefore are not insured. Registration provides significant liability protection for our coaches, and we encourage any person that acts in the capacity of coach or team manager to submit an official registration. Coach training classes will be held in August; be sure to check the coach page on the SNSA website (snsasoccer.com, "Coaches" tab) for updated coach event information and other coaching resources. If you have any questions, contact us at info@snsasoccer.com or 702-568-0400.

Thank you for volunteering to coach youth league soccer with Southern Nevada Soccer Association!
