

Dear Vegas Jr. Golden Knights Families,

With a successful inaugural 2017-18 Season in the books, we're in full-on prep mode for the upcoming campaign - one we expect will bring continued promise, on and off the ice for our families. Our focus is to keep building on our momentum from last year; we want to continue to raise the bar relating to all facets of our program. Our program will offer teams from Mites through High School, along with a girls' team.

Our tryout information is located on our website, [vegagoldenknightsjr.com](http://vegagoldenknightsjr.com), along with our tryout registration. Following tryouts, the organization will host a uniform sizing day, as well as team registration, at City National Arena on June 16<sup>th</sup>. In addition, our coaching announcements for our teams, goalie and power skating coaches, along with our skills clinic coaches have been added to our website.

Moreover, the organization has added an 8U development program, as well as our girl's skills development program; these two programs will provide training to all players looking to play competitive hockey and better their skills at these levels.

In closing, with our vision for player development in place, our organization is committed to providing our players with the tools necessary to excel, and we thank you for your support and look forward to seeing you all at the rinks.

Yours in hockey,

JR.VGK Executive Board of Directors and Staff
