Absent: Caleb Jensema-Treasurer, Scott Schreiber, Jerimiah Siburt

Review Agenda

Approval of last months minutes

Administration-Chase Longmiller

Chase wanted to reiterate compensating the mentors that have been helping out with the new referees. Hats off to Blake, Zach and Gary. Chase will work with Matt, Caleb and Nathan on something to present to the board next meeting. We have to do something to address the shortage as it seems to be a problem all over. Also would like to get some compensation for whoever is taking charge of the referee coordinator position. Chase would like to see this happen. Tom asked what kind of compensation? Chase just something show the appreciation for what they did.

Treasurers Report- No report, all good

Fundraising- Karen reported on the Calendar Sales \$27,400 minus expenses \$18,883 made. 1 rafter board sold this week. Ulmans got parking spot. 83 calendars sold.

YHC- John Tabor

YHC is looking to have 3 kids dual rostered from PW B to PW A for state tournament purposes. Also looking to move a PW A to Bantam A. YHC looking to reduce the \$250 fee down to \$125 to be more in line with the girls team. Chase what was the past practice? Tom mentioned that some kids will be getting double the ice time then. Once changed hard to change back. Jen questioned will the kids just play the 5 games and that's it. John answered no most would play any games they can. Jen made a motion to leave it at the \$250. Mara second. Motion passed.

Girls for next year YHC is projecting a full time U14 and U10 team. Question on whether or not to co-op with Manitowoc or just let the girls come to the Sheboygan program. Ice time would be an issue. May have to go to Manitowoc or shuffle things around within the association.

YHC asking that Karen send out a letter reiterating the player and parent code of conduct especially going into the tournament season.

John show the board the new mite jersey . Hoping the price will be under \$ 30 when all said and done. Do we give the players the jerseys? John got a close out deal on these jerseys. Will not come around again. Jerseys will be returned.

Looking at possibly doing in house league for the mites for the first half of the season. Many associations are doing this now.

Nathan to John's point. Nathan had to write a letter to the head WAHA referee in regards to some issues regarding some of our coaches

Tournament- Mara Nack, Erin Lindow

Erin said all went well , a few hiccups. Made \$1700 on raffles and around \$500 on food sales etc. Still two PW A team and one Squirt B short for the next tournament . Should we discount to try and fill? Go from \$600 to \$400 . Karen will send out an email tomorrow.

Erin wanted to bring up having someone from the board help out for the next tournament as herself and Mara have games for their kids that weekend.

State? Nothing received as of yet. Karen asked about playdowns? Will there be games on Friday night? John we will only have 7 games total for that weekend. Erin had a question on the state tournament. Do we do baskets , brat fry , etc.? Karen/Tom normally just brat fry , check in , penalty box and scoreclock.

Figure Skating- Kathy Scott

Figure skating doing well . Into their fourth session . Taking two teams to Minnesota for a competition.

Facilities- Nathan Taylor

Nathan reported that the Wi-Fi in the high school locker room need to be fixed as the wires were yanked out already.

Red Raiders- No Report

New Business –

Chase would like to have the board reach out to the high school team and see were we can come together and make the program better.

Adjourn 7:32 pm
