

Coaching Requirements in Sports Connect

ALL COACHES must complete these two online courses, which are required annually by law:

- SafeSport Training (SafeSport Certificate)
- U.S. Soccer Introduction to Safe and Healthy Playing Environments (Concussion Certificate)

SAFESPORT

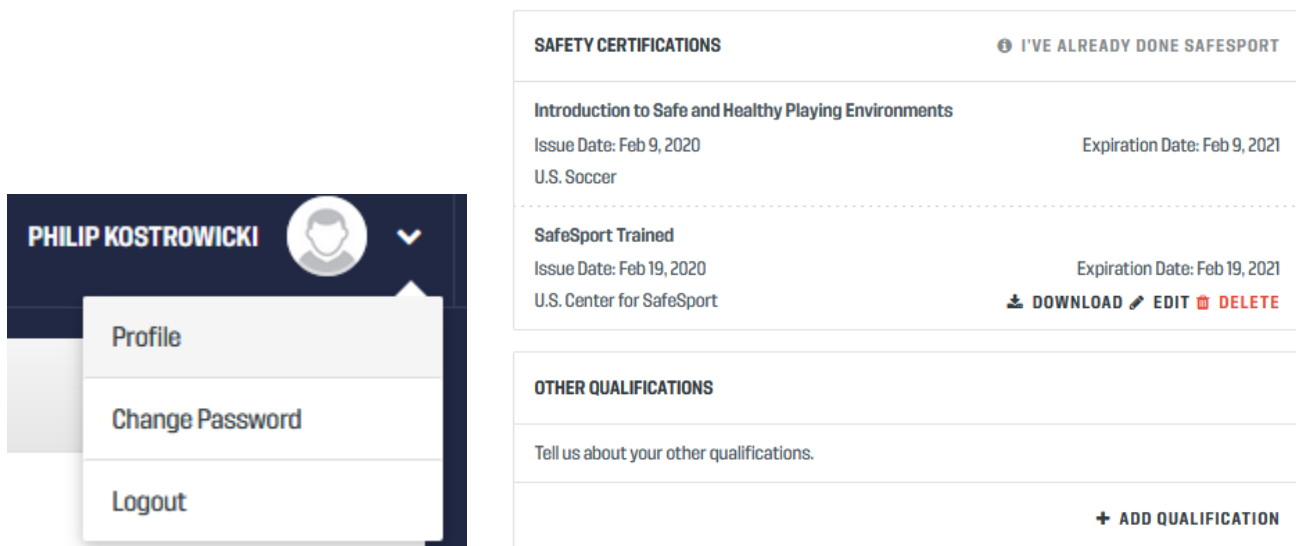

Coaches will have to take either the “SafeSport Core Training” (for new coaches) or the shorter “SafeSport Refresher Course” (for returning coaches who have previously taken the Core Training).

There are **TWO** ways to complete either SafeSport course:

Method 1: In the U.S. Soccer Learning Center (<https://learning.ussoccer.com/coach/courses/available/29/details/5606>)

Method 2: Via SafeSport.org (<https://www.safesport.org/authentication/signin>)

If you choose Method 1, when complete, please email a copy of the PDF certificate to Phil @ vpu10@edhsc.org. To do this: Click “Profile” at top right of the Learning Center. At bottom right will be your Safety Certifications, including the option to Download the PDF.

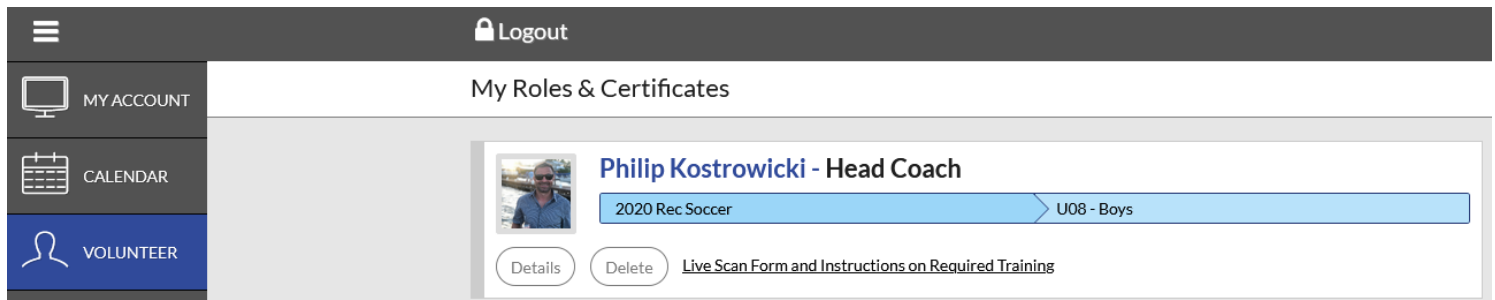

The screenshot shows a user profile for Philip Kostrowicki. On the left, a dropdown menu is open with options: Profile, Change Password, and Logout. The main content area is titled 'SAFETY CERTIFICATIONS' and includes a link 'I'VE ALREADY DONE SAFESPORT'. It lists two certifications:

Certification Name	Issue Date	Expiration Date	Issued By	Actions
Introduction to Safe and Healthy Playing Environments	Feb 9, 2020	Feb 9, 2021	U.S. Soccer	
SafeSport Trained	Feb 19, 2020	Feb 19, 2021	U.S. Center for SafeSport	DOWNLOAD EDIT DELETE

Below this is the 'OTHER QUALIFICATIONS' section with a text input field and an '+ ADD QUALIFICATION' button.

If you choose Method 2, please follow the directions provided by Cal North within your Sports Connect account. Click the “**Live Scan Form and Instructions on Required Training**” link and follow those directions to complete SafeSport.

The screenshot shows the 'My Roles & Certificates' page in Sports Connect. The user is Philip Kostrowicki, Head Coach. A role is listed for '2020 Rec Soccer' with a status of 'U08 - Boys'. Below the role, there are buttons for 'Details', 'Delete', and a link for 'Live Scan Form and Instructions on Required Training'.

When complete, your status for SafeSport will automatically change to “Verified” and there is nothing else you need to do.

INTRODUCTION TO SAFE AND HEALTHY PLAYING ENVIRONMENTS

This course (30-45 minutes) replaces the CDC Heads Up Concussion training that many of you have taken many times to satisfy the State of California's annual Concussion Training requirement for coaches.

- Can only be accessed via the U.S. Soccer Learning Center.
(<https://learning.ussoccer.com/coach/courses/available/32/details/6165>)
- When done, no certificate is produced. Any screenshot showing completion will do (Windows icon + Shift + S). Please email the image file to [Phil @ vpu10@edhsc.org](mailto:Phil@vpu10@edhsc.org). That's it, you're done!
