SPRING 2019 COACH REGISTRATION/TEAM RESERVATION

All coaches are required to register online in order to coach with Southern Nevada Soccer Association's Henderson United Youth Soccer, Southern Highlands United or Mini Kickers youth league programs for the Spring 2019 season. **The Spring 2019 registration period will start in early December.** SNSA will be using the Stack Sports Connect registration platform for the Spring 2019 season. The Stack Connect system provides integrated background checks for new coaches; allows you to include team reservation information within your coach registration form; and includes the "Team Connect" feature to access live roster updates and to communicate directly with the families on your team. Follow these steps to register:

1. Go to our website at www.snsasoccer.com and click on the **"COACH & TEAM MANAGER REGISTRATION"** link in the Quick Kicks section on the home page. If you are a returning coach, you are already an SNSA member and can log in using your email address and password. If you are a new coach you can create an SNSA member account and proceed with coach registration.
2. Complete and submit the online member and coach registration forms. Be sure to select the age/gender division in which you want your team to participate, and indicate the team and/or player you are requesting to coach. You can include your team color preferences, level of play, practice location and returning player list as part of your coach registration.
3. The background check system is integrated as part of the registration system; coaches that need a background check will not need to complete a separate application.
4. New coaches will be required to complete the CDC Heads Up Concussion online training course and will be provided with a link to the course and instructions to submit the completion certificate to SNSA.
5. New coaches will also need to email a photo (.jpg, .png or .pdf format) to info@snsasoccer.com to be used for your 2018-2019 coach identification card. Coaches returning from the Fall 2018 season can use the coach ID card issued prior to the start of the fall season (ID is valid from August 1, 2018 – July 31, 2019).
6. Coaches who serve as head coach, assistant coach or team manager for more than one team will need to submit separate registrations for each team.

Coaches who do not register online are not officially registered with SNSA, and therefore are not insured. Registration provides significant liability protection for our coaches, and we encourage any person that acts in the capacity of head coach, assistant coach or team manager to submit an official registration. Coach training classes will be held in February; check the coaches page on the SNSA website (snsasoccer.com, "Coaches" tab) for updated coach event information and other coaching resources. Contact us at info@snsasoccer.com or 702-568-0400 if you have any questions.

Thank you for volunteering to coach youth league soccer with Southern Nevada Soccer Association!
