

2021 Spring Development Program

Tournament Team Tryouts

Player Draft Season

3 on 3 & Small Area Games

The Vikings Hockey Club is proud to announce their **2021 Spring Development Program** at The Arctic Ice Arena. This year's program will run from early April thru the end of June. The Vikings Spring Development Program is open to **ALL PLAYERS** from **ALL CLUBS** including AAA, High School, Tier II, Arctic Jr Fury and all House Programs.

New For 2021, the Vikings Spring Program will consist of a combination of Power Skating, Skills, Drills, Small Area Games, Draft Games, along with a 3 on 3 series. In addition, there will be Tournament Team Tryouts in April to identify players to compete in the ***Windy City Rumble and CCM Chi Town Shuffle Spring Tournaments*** for Hockey Sense and the Vikings. The revised format allows for a focus on individual player development while implementing team concepts and tactics through a fun yet competitive game environment. In April all sessions will consist of **Power Skates, and Skills & Drills**, focusing on individual player development. Beginning in May, the Coaching Staff will draft all Spring Players onto two teams per age level (U8-U14). The month of May will consist of one session per week being **skills and drills** and the other session being all **small area games** and **scrimmages**. In June we will begin our **3 on 3 Series**. All players will compete in a 3 on 3 format twice a week. This revised format will allow our players to progress from the skills and drills program into the concepts and game situation from April to June.

The Vikings will be entering teams in various tournaments this spring and summer. A full list will be posted soon. Teams will be selected with players registered in the Orland Park Vikings Spring Program. Teams will be coached by a collection of 2021 Orland Park Vikings Spring and Fall Coaches.

Vikings Hockey Director Nick Pollos combined with Hockey Sense Inc. will also be entering teams at various birth years in **the Tier I AA/AAA Chi Town Shuffle April 16 - 18 in the Chicago area and the AA/AAA Windy City Rumble in Chicago April 30 – May 2.** These are a high-level birth year tournaments. Players will be invited individually throughout the spring by Nick Pollos and Hockey Sense Inc. Staff.

If your player is selected for any tournament teams, he/she will incur an additional cost per tournament. There will be no refunds or prorated fees for tournaments.

Now in its 11th year, our development program has been developed by Vikings Hockey Director Nick Pollos with contributions from various **USA Hockey** and Professional Hockey Coaches, Players and Instructors. Each session will be made up of challenging development drills, focusing on proper skating technique, puck handling, passing and shooting along with focused and competitive scrimmage time. Specialized goaltender instruction will also be present throughout the program including goalie clinic nights.

A variety of instructors will be used during these sessions including current and new Vikings coaches, special guest instructors, current Junior A, NCAA and Professional Players along with Hockey Director Nick Pollos.

This is not a spring league, no meaningless games, no driving to multiple rinks at various times and days. Our program focuses on teaching and development at one location with a pre-determined schedule, all in one rink with proven instructors at a very reasonable cost. It also allows flexibility for kids to play other sports all Spring and Summer. Program details are outlined as follows...
