

ST. NORBERT

ACHA Club Hockey

Be part of St. Norbert's
OTHER great hockey story ...

Ready to skate for St. Norbert?

With a men's varsity hockey team owning five Division III national championships, and a women's program that cracked the Top 10 in just its third year of existence, St. Norbert hockey is one of the most talked-about programs in the sport.

But varsity is just part of the SNC hockey story. We also have an exceptional ACHA club program that offers athletes the opportunity to play immediately after high school for **FREE**.

Here are a few of the features of this standout program:

- School-funded ice time, travel costs (hotel, bus and food) and locker room, with gear offered at a discounted rate.
- Full locker-room facilities with gear storage, an attached weight room and industrial-grade laundry facilities.
- Competitive 25-game schedule in the immediate five-state area (no endless bus trips).
- Stable rosters: Varsity players never move down to displace ACHA players.
- Opportunity: ACHA players can move up to varsity. In fact, every one of our DIII championship varsity teams has had an ACHA player on it.
- Mentoring: Varsity coaching staff often attend ACHA practices.
- Strong support off the ice: Coaching staff connect students to internships, youth coaching opportunities and more.
