The Chesterfield Hockey Association places the safety of our members and guests at our facilities as a top priority. We take great pride in keeping our facilities as clean as possible.

Due to the COVID-19 virus, we have implemented additional daily & rigorous cleaning practices in both of our facilities using cleaning agents as recommended by the Center for Disease Control (CDC) and listed on CDC.gov.

We will continue to stay on top of the latest best practices for preventing the spread of COVID-19. We encourage everyone to go to CDC.gov and familiarize yourselves with the best practices for personal hygiene as well as the cleaning of your home, work, school, and more. If you are experiencing symptoms of flu, please stay home and contact your health professional.
