** If a digital file is ordered, a high-resolution JPEG file will be sent via email to the address below approx. 1-2 weeks after picture day.

To pay by credit card, PayPal must be used. This must be done before the photo shoot begins.

Enter the quantity for the package or individual items you wish to order.

Check the box next to the red arrow to indicate that payment method. The form totals will update.

Go to the website link below. Enter the Total Cost shown here on the form into the PayPal screen.

Follow the PayPal page prompts until the transaction completes. Print this form and the transaction receipt to show at the shoot.
