Informed Consent and Disclosure

I give permission for my child to participate in the TC Orthodontic / OMGHA mouthguard program. I consent to having a dental impression or scan of his/her teeth taken so the custom mouth guard can be fabricated. Although there are negligible risks associated when alginate impressions/ digital scans are taken, I consent to treatment.

Covid Disclosure: Thank you for your continued trust in our practice. As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID-19, also known as "Coronavirus," at any time or in any place. Be assured that we have always followed state and federal regulations and recommended universal personal protection and disinfection protocols to limit transmission of all diseases in our office and continue to do so. Despite our careful attention to sterilization, disinfection, and use of personal barriers, there is still a chance that you could be exposed to an illness in our office just as you might be at your gym, grocery store, or favorite restaurant. "Social Distancing" nationwide has reduced the transmission of the Coronavirus. Although we have taken measures to provide social distancing in our practice, due to the nature of the procedures we provide, it is not possible to maintain social distancing between the patients, orthodontist, orthodontic staff and sometimes other patients at all times.

Although exposure is unlikely, by signing this form you accept the risk and consent. I will not hold TC Orthodontics liable for any injury that occurs during the fabrication or misuse of the mouth guard. I understand this permission signifies that photographs may be displayed on TC Orthodontics Facebook page and website to promote OMGHA and TC Orthodontics.
