NOTE: While 6 & 8-player football was played in the period of the late 1930's through 1969 the sport was discontinued until 2012. 18-Wisconsin schools began playing 8-player football in 2012 and since then the number has increased each season. I've included the number of seasons a team has played 8-player to give perspective on the number of overall wins.
