Old business:

Little league merger - We have a rough draft of a new constitution sent to them to work on the language and wording. It will need to be approved at the October annual meeting.

New business:

Andy Vandever and Ashley Reeves - Andy and Ashley are no longer on the board. Neither have shown up and Ashley drafted a resignation to Scott.

Evaluations - We have 57 signed up but only 43 checked into evaluations. Due to rain, some kids were not evaluated. The make up day is Wednesday, August 13 and the rain out date is the August 20th.

Volunteer checks for 2026 - We will have in registration that people agree to volunteer or an amount of \$300-500 will be charged to their credit card at the end of the season. We will have plenty of opportunities for people to volunteer. We will have them volunteer for a minimum of one shift for one event or a max of 5 hours.
