

Hastings Hockey Association
Board & Membership

Letter of Intent
Brian Meyer – Pee wee Director

I am writing to inform membership that I intend to run for the role of Pee wee Director in the coming 2026 Hastings Hockey Board of Directors Elections.

I have been involved with Hastings Hockey since 2016, coaching and assisting our association's programs during my son's early years as a hockey player. Previously, I have served as the association's Learn Hockey Level Director and prior to that as the associations Mite Level Director. I have had the good fortune to work with so many members of our association and have thoroughly enjoyed my time spent. I am a strong believer in open communication, detailed planning, and hockey development. I intend to continue in leading our kids as they progress to the older levels of our association's program.

It is my goal to continue to support our board as we progress with our hockey development committee/program, helping to make the right recommendations for our youth and to challenge our association to provide the best possible outcomes on the ice! With the support of our membership, I look forward to continuing with our board as the Pee wee Director.

Brian Meyer
