Graduation Edition

Graduation. A time for a chapter to close and for next chapters to start. A time when no dream seems too big. A time when you're on top of the world. It's a time of reflection. Who you grew up to become and realizing you have a lot more growing up to do before you find out who you really are.

Our **San Diego** and **Seaside** graduates are closing out their high school careers, and for some, finishing up their volleyball careers. In a month's time, rooms will begin to be packed up and put into countless boxes only to be reopened in a tiny dorm room. Between proms, senior activities, finals, and tournaments, a lot of lasts are to come.

Our graduates all walked in our doors with the goal of being the best versions of themselves, both on and off the volleyball court, and they will continue to do so all across the country at schools like UC Merced, Southern Connecticut University, the University of New Mexico and locally at San Diego State University.

They are about to embark on one of the greatest adventures in life. They will make mistakes. They will make new friends. They will miss home. But above all else, they will make memories that will last a lifetime.

Without further ado, we present the **San Diego/Seaside Volleyball Club Class of 2022!**
