Finance Update - no new updates to be aware of

Concessions Update - Keep it to a minimum the first week to see how many people are buying
- First Wednesday of June is opening night

Old Issues: (Firm Determinations need to be made)

Minor League; No other individuals have signed up. We are at 6 and need to get this to eight. Swag has two teams and I need 2 players to get one team and make this league work.

- Currently at 7, SWAG has 2 teams with 8 players each - no coach currently but we will keep the team as it currently is

Rookie; Two coaches walked away, reached out to parents, one dad will help when he can, but has a son in baseball. Mary Orcutt and Kristi Mangan will run both practices until a resolution can be determined. Push out starting game till 1st Monday of June? A few more (1-2) players will be signing up.

- 2 coaches walked away - if you have a commitment to the board, we really need you to be here unless there is some type of personal emergency that prevents you from being involved. We are currently working on finding coaches, Mary and Christi are taking the 2 teams over but we do still need 2 more coaches. We can only take 1-2 more kids at most.

Junior: Pleading for a coach has not seemed to have worked. One parent can devote a small amount of time. Close this league and refund the money? Keep recruiting? Push this league back?

- Need some parents to step up and help coach - we will keep the league open for now - we will continue reaching out to parents and see what we can do

Senior League: Two assistant coaches working together to move this team along. I am still trying to recruit someone to be the head coach, but these two are willing to get started without the head coach. Get them the list and have Bridget start practices mid June to start games 2nd week of June.

- Reaching out to Craig about a head coach

Meetings to be held 1st Sunday of Month at the fields, weather permit. Backup location is my garage.

New Issues

East / West are no longer tenants of Riverview, their new home is Perkins

Notre Dame is no longer a tenant of Riverview, their new home is Frisch

Tuesday League is still a go - **Plan is to fill all the fields for 2 games**

Games will start 1st week of June - **Wednesdays**

Jerseys - T shirts this year - get them going - **keep the cost down as much as possible this year**

Pitching Machine - **do we need a pitching machine in the lower league? - Would prefer a pitching machine over getting hit by pitches or using tees - a pitching machine might help teach younger kids how to hit and be ready for older league - We will look into it and see price and how slow they can go - circle back to it next meeting**

Weather Alerts - **We can text through Sports Engine - Mary will look into it**

Coaching Background Checks - **new coaches will need background check for this year**

Revised Field List for Allouez - **Joe will take care of this**

Final Covid Policy - **Keep policy linked in April minutes - will be sent to parents - safety of the kids is in mind and we ask that everyone who comes to the fields to follow them**

Umpires - **SWAG wants us to deal with all umpires - ask SWAG for umpire money upfront and then Allouez will pay all umpires. We will put Ruben on our list.**

Possible Thursday Games for Junior & Senior - **DePere has not had their COVID plan approved yet - when approved scheduling can take place - Thursday games will be in DePere**
