Late/No-Show Player Policy

Adult participants in Sudley Intra-club Leagues are responsible to their court-mates. If you cannot meet your scheduled play date/time, **YOU** must inform your court-mates **AND** find a substitute at the appropriate skill level. We provide detailed Intra-club League schedules that include all contact information for EVERYONE in EVERY Intra-club League.

Schedules are distributed via the email provided. In addition, it is posted on the tennis deck display board, so you should ALWAYS have the members’ contact info when needed. Keep copies of your Intra-club League schedule(s) in your car AND your tennis bag.

Adult Intra-Club Leagues – Registration Guidance

We do all we can to accommodate tennis and pickleball players of all skill levels:

- We offer our members Intra-club doubles Leagues that fall into 3 basic skill level categories: ***Beginner/Novice, Intermediate, and Advanced.***
- We offer our members the opportunity to participate in the Northern Virginia Tennis League (NVTL) Singles/Doubles inter-club tennis competition, accommodating players at the Intermediate & Advanced level.

If a member were to register for an Intra-Club League, how would they decide "which one?" The answer to this question is essential, as it can directly affect your enjoyment of Sudley's racquet sports offerings and that of your fellow members/players. After all, a new player in the game probably prefers not to oppose advanced players, just as advanced players generally would not seek beginner competition. It's nothing personal; it's merely a function of doing our best to group our players based on an objective assessment of "skill level."

For this reason, we encourage all adult players to determine their self-rating, but don't worry; it's straightforward. To help you out, we encourage Sudley members to review the National Tennis Rating Program (**NTRP**) Self-rating Guidelines available at the following link or on Sudley Club's website:

If you still have questions, our Director of Racquet Sports, JD Almond, will gladly assist you. Contact him at (703) 501-1773 or via email jd_almond@hotmail.com. He will be able to discuss the best options to help you enjoy your experiences here at Sudley Club.

it's a good day to play

Sudley Club's 2026 Court Usage Guide

This tennis/pickleball court usage guide is designed to help members understand when the courts are in use, so they can make more efficient use of playing time with family and friends. The schedule is adjusted periodically throughout the season due to weather and event rescheduling. Call the Canteen for more accurate information and reserve your court.

The Har-Tru tennis courts (Courts 1 thru 4) are not open year-round. These courts are available from May to November because they require daily maintenance to remain playable. The hard tennis/pickleball courts (Courts #5 & #6) are open year-round. The courts are on a first-come-first-to-play basis unless reservations are made in advance. (See Page 3)
