

KANSAS CITY ROYALS
YOUTH BASEBALL CLINIC
RIVERSIDE PARK
STADIUM IN YANKTON
JUNE 5, 9AM TO NOON

The Kansas City Royals are coming back for a ***FREE*** Baseball Clinic for children ages 8-18. The clinic, held with the support of the Yankton Park and Recreation department, will be hosted at Riverside Baseball Park in Yankton on Tuesday, June 5, from 9am to Noon.

The Royals "Pass It On" clinic is named appropriately because the former players *pass on* their love and knowledge of the game of baseball. Skills they will teach include: hitting, infield and outfield play, pitching, catching and base running.

The main emphasis of the clinic is to "enjoy the game." Parents and coaches will be invited to be on the field to hear what the players are teaching. After the game, the players are available to sign autographs for the kids. The Former players include John Mayberry, Dennis Leonard, and Les Norman.

The Royals "Pass It On" Clinic is ***FREE*** and no registration is required...just bring a glove, drink and show up at 8:45am!
