Call to Order: 6:13pm

Minutes: Troy motioned to approve the minutes, Dan seconded. All were in favor.

President's Report: Ryan

Parks and Rec Hockey went well. We have 16 continuing on in our Beginning Hockey Program. We need to work on recruiting more coaches at the 8u level for next year.

Treasurer's Report: Troy

Registration money follows enrollment. We have spent more on gear and tournaments. Troy estimates \$2338.75 left in the bank after all expenses are paid and before LTAC money comes in.

Old Business

1. We will reimburse Coach milage (coaches who don't have a player on the team) at \$0.30 per mile.
2. We voted to pay for a 2nd 8u team to attend the March tournament in Spokane. We will have a novice and intermediate team. The cost is \$650.
3. "Fun" Jersey-Let's include this at registration in the fall. We will order them in the fall.
4. Garment Bags/Player gifts/ End of year parties. We have \$2,500 to spend. That works out to \$31.25 per player. Teams can choose to pay for a party or gift for each player. We will Order pizza on the last night for the Beginning Hockey kids. They will not get the end of year gift.

We talked about having a party night at the bowling alley. We discussed reserving bowling lanes and a taco/nacho bar. Scott M is looking into it and will let us know the costs.

New Business:

5. Move Association Customs to 2025-2026 Season (Troy) (This was about the custom jersey noted in #3.
6. New Equipment Proposal (Mike)

Mike would like to purchase a laptop for running the music and cords to go to the speakers. It would be \$2000 with tax. Troy suggested we wait on the laptop until Fall and include it with the LTAC grant. Mike would like to purchase the cords before the 18u tournament as the city cords are wearing out. We are ok with this purchase happening.
Dan will look into the PUD as they get rid of their old rugged ipads.

7. Filling Roles listed in the By-laws-After the election, let's work on recruiting some of the people who ran to fill some of the jobs we could use help with.

8. Tournament Update:

12u tournament went well. The parents were helpful and stepped-up. 18u tournament is lined up and schedules have been sent out.

Adjourn: 7:09
