## **GENERAL INFORMATION**

**2020-2021**

*The Athletic Department at Cherry Creek High School welcomes you to one of the finest high schools in the nation. This information is intended to answer questions you may have concerning the athletic programs at CCHS preceding your first days on our campus next fall.*

### **CHERRY CREEK SCHOOL DISTRICT ATHLETIC REGISTRATION PROCESS**

The official start date for **SEASON B SPORTS** is **January 4, 2021**. **Prior to being cleared to practice**, each student athlete must have the online athletic registration forms completed, a current physician's clearance (uploaded to your registration or emailed to the Athletics Office), and the district athletic fee paid. Detailed instructions are on the website. Athletic fees, current physical, online registration, and a Planet HS account are all required prior to a student being cleared to practice/try out.

***Athletes will not be allowed to try out until all 4 parts are completed:***  
***Online registration + payment + physician's clearance + Planet HS account***

General sports information updates are available online as we continue to receive information from CHSAA. The Athletic Office is located in West 89, and office hours are 7:30 – 4:00.

Online athletic registration for **Season B sports will open on 10/1/2020 with a deadline of 12/15/2020**. <https://cherrycreekhs.rschoorteams.com/> If you register after 12/15, we cannot and will not guarantee that we will get everything processed by 01/04/2021 as we will be on break.

Remember that all student athletes must also register with Planet HS for CHSAA eligibility in order to participate. A Planet HS account only needs to be created ONCE during their high school career.

The Cherry Creek School District requires an athletic fee for each sport/season.

NOTE: Cheer and Poms are 2-season sports. For out-of-district fees, and for home-school "athlete only" students, please call the Athletic Office at 720-554-2461 or 720-554-2462.

# PARTICIPATION GUIDE

## 2020 - 2021

**SPORTS** If you are interested in going out for interscholastic sports at Cherry Creek High School, make sure you are familiar with the various programs offered and the procedures involved for registration and participation. To get involved in a sport, it is highly advised that you attend a meeting approximately one month before the season starts. Check the Athletics website for important meeting dates as they become available.

**CUT POLICY** Some sports will involve cutting students from a team. This is due to many factors, the most important being the safety & welfare of students. Other reasons are: limited numbers needed on a particular team, facilities & space availability, equipment limitations, lack of athletic ability & individual coaching philosophies. Team cut policies are listed below. **"Cut/No-Cut" policies may change due to future legislation and/or budget decisions.**
