

Hello, Hello!

We have been getting lots of questions regarding the mandatory video for Skate Vacationland. We wanted to clarify that it is mandatory to watch the video prior to coming to help answer any questions you may have. If you are unable to watch the video during the Facebook live event, you may watch the recorded video at your convenience. If you do not have Facebook, we will be posting the video and new information to our website as well. Please review ALL information as there many changes this year due to COVID 19 restrictions.

You will find the new format for Compulsory for levels Snow Plow Sam – Badge 6. This information was in the announcement as well but we wanted to make sure everyone had the same information. This will be the format for this year only. Due to the pause in ice we decide this may be helpful for our beginning skaters to only learn one program with their music. We want to keep this experience fun and rewarding for all skaters.

Please feel free to reach out with any questions you may have!
