AHA'S NEW TRAINING AND DEVELOPMENT CENTER

INVESTING IN NEW OPPORTUNITIES FOR AHA FAMILIES

In March of 2025 AHA began the process of building out our new home in South Anchorage.

The AHA Training and Development Center has been in the works all summer long and is now OPEN! All of our teams will enjoy the benefit of off ice training, shooting, and collaboration in this new state-of-the-art facility!

The build out of the facility was funded by our generous corporate and private sponsors and donors.

We look forward to welcoming our teams and families as they begin the 2025/26 Season.

A SPECIAL THANK YOU

CORPORATE AND PRIVATE DONORS TO AHA HELP TO CREATE OPPORTUNITY FOR OUR YOUTH

We all know the saying, "It takes a village" and in the hockey community it is no different.

Between morning clinics, school, work, practice, games and volunteering our schedules often times feel like they have never been busier. We do this because we know that what our kids are learning from our coaches and from their successes and failures will help mold them into better human beings as they grow up to hopefully achieve whatever goals they hold dear.

As everything around us continues to get busier and more expensive - AHA and its amazing partners and sponsors are working hard to bring support and opportunity to our youth. AHA is proud to recognize our name sponsors in Alaska 529 and Conoco Phillips Alaska as well as many of our founding and partner sponsors who helped fund the build out of our new Training and Development Center.

If you or your company are interested in being a part of this sponsorship effort please reach out to our President, Jeannie Carey at jcarey@anchoragehockey.com.
