Coaches: KBCA membership, reporting your wins and service years, all state nominations, all star nominations, scholarship application, filling our information for an all star player, etc is all done online now at:

**[www.kansaskbca.com](http://www.kansaskbca.com) go to post season and all forms are listed for online entry.**

On the home page the basketball court is an entry button for the KBCA membership. Click on it and you are in and it just takes a few minutes.

You can pay online after entering your information and when I get notification I will send your card.

If you choose to pay offline: Send check to my address listed on the checkout area. All you have to do is remember to send your check. Remember, I will send your card when you pay.

Remember, your KBCA card gets you into all MAYB tournaments throughout the spring, fall and summer. KBCA card expires on June 30 of each year.

KBCA MEN'S BASKETBALL FOUR-YEAR

# COACH *of the* YEAR

*In his first season, Hutchinson, Kansas native, Brett Ballard led the Washburn Ichabod men's basketball team to one of its best seasons in program-history. Ballard orchestrated a 22-10 record with a 14-5 mark in the MIAA. He then led the Ichabods to an appearance in the conference tournament finals before qualifying for the program's 13th trip to the NCAA tournament and first since 2012.*

## KBCA Junior College Women's

### Coach of the Year

2018

Toby Wynn

Seward County CC

TOBY WYNN completed his 13th year as the Head Women's Basketball Coach at Seward County in 2017-18. In 13 years as Head Coach, Wynn has directed the Lady Saints basketball program to a 349-84 overall record. Wynn's efforts and achievements as Head Coach have kept the storied SCCC women's basketball program in the spotlight of NJCAA D-I Women's Basketball. He is also the President of the NJCAA Women's Basketball Coaches Association.

Despite losing three NCAA Division I signees from 2016-17, Wynn turned in an improbable season for the Lady Saints in 2017-18, leading a young Seward squad to a 31-4 finish en route to a top 5 finish at the NJCAA National Tournament. After two early season losses, Wynn led the Lady Saints to 17 straight double-digit victories and captured the Jayhawk Conference title for the second straight year and first outright since 2010. The remarkable season wasn't over yet, however, with the Lady Saints going to Wichita to capture their first Region VI Tournament Championship since 2007, defeating Independence in the Championship game.

Seward County entered the NJCAA all-time record books in 2017-18 under Wynn, when they made an NJCAA record 25 three pointers in their 130-48 win over Colby on Feb. 21, 2018. The 25 three pointers would have also tied the NCAA Division I and NBA three-point record.

In his coaching tenure at SCCC, Wynn has coached 39 Jayhawk West All-Conference selections (18 First Team), 25 NJCAA All-Region VI performers, 23 NJCAA Region VI All-Tournament Team selections, 12 NJCAA Player of the Week selections, 15 NJCAA or WBCA All-Americans, 4 NJCAA All-Tournament Team selections, 4 NJCAA Region VI Most Valuable Players, 3 NJCAA Region VI Tournament Most Valuable Players, 5 Jayhawk West Conference Most Valuable Player, and 2 Jayhawk West Conference Freshman of the Year.

Before taking over as Head Coach, Wynn served as the Assistant Coach for the Lady Saints in 2004-2005 under former Lady Saints Head Coach, Jim Littell. In his one season as assistant coach, the Lady Saints finished 5th at the NJCAA National Tournament and were Region VI Tournament and Jayhawk West Conference champions with a 35-3 overall record and a 14-2 record in the Jayhawk West Conference.

Before coaching at Seward County, Wynn was the Head Girl's Basketball Coach at Liberal High School and coached Boy's and Girl's Basketball at Balko (Okla.) H.S. Wynn attended college at Northwestern Oklahoma State University, in Alva, Okla., where he played basketball for one season. Wynn then attended and graduated from Oklahoma State University, in Stillwater, Okla., where he earned a Bachelor's degree in Business Education.

## Craig Fletchall – Barton Community College

Craig "Fletch" Fletchall's 13<sup>th</sup> season at Barton Community College produced a Top-8 finish at the 2018 NJCAA Division I National Tournament held this past March at the Hutchinson Sports Arena.

Going 29-7 this past season including a 21-5 second place finish in the rugged KJCCC, Fletchall increased his Barton historical mark to 301-88 through the years for a 71.8% win percentage and a 144-85 mark in conference play.

Returning to his hometown this past March, Fletchall led his Cougars to the big stage picking up his 300<sup>th</sup> win at the Barton helm in the first round of The Tournament in a dominating 86-63 win over Tyler Junior College on March 19, 2018.

In what appeared to be the Cougars' final victory of the season two weeks prior in Wichita, the Cougars prevailed in overtime 79-72 over Colby Community College in the Region VI Quarterfinals on March 4, 2018, to notch Fletchall's 400<sup>th</sup> collegiate coaching victory. A week later Fletchall and the Cougars received the news their season's body of work warranted an at-large berth to the national tourney, fulfilling a dream previously viewed from the sidelines each year attending the tournament.

Following Barton's win over Tyler, the 16<sup>th</sup> seeded Cougars then took down the nation's top ranked and undefeated Indian Hill Community College with an 85-83 overtime victory. Barton's run came to an end two days later falling to 8<sup>th</sup> seeded Eastern Florida State as a potential game winner came up short 82-80 to end the Cougars season.

Fletchall has guided the Cougars to seven 24-win or more seasons, captured the Jayhawk Conference title in 2009, and has had five NJCAA All-Americans.

Prior to coming to Barton, Fletchall was 101-58 in five seasons at Neosho County Community College. In his final season at Neosho, Fletchall guided Neosho to No. 12 in the nation for the Panther's highest ever ranking on the way to reaching the Region VI finals for the 1st time in school history.

Fletchall has spent most of his career in the Jayhawk Conference and its surrounding communities. Growing up in Hutchinson, Fletchall attended college at Wichita State University and Fort Hays State University.

The Fletchall File		
Year	Overall	League
2017-18	29-7	21-5
2016-17	25-8	19-7
2015-16	18-16	10-9

1987-90	Kapaun Mt Carmel	20-43
1990-96	Shawnee Mission East	86-47
<b>11 Season High School Coaching</b>		<b>146-99</b>

Eleven seasons in the high school ranks began

Fletchall's coaching career, beginning in 1985 with a two-year stint at Hutchinson Trinity, going 40-9 with a 1987 state title capping his leading the Celtics. Moving on Wichita's Kapaun Mount Carmel, Fletchall spent three season with the Crusaders before taking over at Shawnee Mission East. In his 6 years at East, Fletchall compiled an 86-47 record including a school record 19 wins in his final season coming in 1996 and won back-to-back Sub State titles (the only time in school history). Going 146-99 in his high school coaching career, Fletchall earned two League Coach of the Year honors coming in 1987 at Trinity and 1993 at East.

Fletchall broke into the collegiate scene as an assistant coach at Cowley County Community College. In the first of his three years, the Tigers set the school record for wins with 25 to only better the mark in his final season with 26 wins before assuming his first head collegiate coach job at Neosho.

Fletchall and his wife Patty have three children, Mara and Melyne of the home, and oldest daughter Morgan and son-in-law Devin Hoffman with grandson Murray residing in nearby Claflin, KS.

**CRAIG NULL**  
**INDEPENDENCE**  
**MIDDLE SCHOOL**  
**KCBA**  
**MIDDLE**  
**SCHOOL**  
**COACH OF THE**  
**YEAR**  
**2018**

Coach Null has been coaching youth in Independence for 40 years, including the past 30 years as an employee of the Independence-USD 446 School District, coaching a variety of different sports and levels.

“I am very humbled to receive this award from the KBCA,” he said. “There are a lot of great coaches out there.”

His coaching philosophy in a nutshell: “Developing the person is more important than developing the athlete.”

“We want our players to be better people after having played at IMS,” Null said. “We want our players to have poise, pride, integrity and character. Those traits will benefit an individual long after their playing days are over. Thus, as a coaching staff, our No. 1 priority should be to provide positive role models for our players.”

Serving as the head girls’ basketball coach at Independence Middle School for the past 20 years, Null compiled a record of 195-102. He has been IMS boys’ head basketball coach since 2006, with a record of 127-63 during that span (322-165 overall).

“I’ve been fortunate to have good players, as well as great assistants over the years,” Null said. “I also want to thank Ron Schwatken and Jerry Hart, two state-champion basketball coaches who were great mentors to me when I started.”

Null was freshman girls’ basketball coach for Independence High School from 1989-95, head varsity coach (1995-97) and returned to fill in as jayvee coach one year (2009-10). He was 92-79 as the coach of record over that span, but served as varsity assistant for teams that went 120-38, went to state five times and won the 5A State Championship in 1993.

Null coached high school softball for 19 years. In his 12-year tenure as head coach the Lady Bulldogs went 153-104, qualified for state six times and finished fourth in 4A in 2001. During his seven years as assistant, the JV went 90-15 and the varsity was 82-53.

He has compiled 657 wins and 363 losses as the “coach of record” in basketball and softball during his career. He also has been on the bench for another 324 wins and 132 losses. These records do not include IHS jayvee basketball, or 7A or any B games at IMS, meaning Null has been involved in some capacity in well over 1,500 wins for the Independence School District.

“Wins are nice, but they are only a small part of the equation,” Null said. “I hope I got my teams to play with energy and passion, and to play as a team. If I instilled qualities in my players like integrity, perseverance, dependability, loyalty, etc. – that is a much superior benchmark of success than wins and losses.”

Null also thanked his wife, Marie, for her 100 percent support. He also has four stepchildren and 11 grandchildren.

# KBCA

## **KBCA Media Award – 2018** **Pat Strathman, Rocking M Media, Salina/Abilene**

Pat Strathman has spent all of his life in Kansas. Strathman grew up in Seneca, Kan., where he graduated from Nemaha Valley in 2009. Following high school, Strathman attended the University of Kansas, where he earned his degree in journalism in 2013.

While at KU, Strathman was heavily involved in various journalism programs, working for 90.7 KJHK, KUJH-TV and the University Daily Kansan. During his senior year, Strathman served as sports director of KJHK, sports editor of the UDK, and was a sports anchor for KUJH. In addition to his college work, Strathman did numerous internships and part-time work at Kanzaland Radio, 580 WIBW-AM, 810varsity.com and the Jayhawk IMG Sports Network.

Strathman's first gig out of college was with Kanzaland Radio, where he was the sports director and high school play-by-play man for KAIR AM-FM in Atchison. After eight months, Strathman joined the staff at 580 WIBW in Topeka, becoming the voice of high school athletics for nine schools in Shawnee County. On top of his role as the main guy for high school, he was the color analyst for Washburn University basketball while being the voice of Ichabod baseball and occasional play-by-play for hoops. Strathman also filled in as a host for 580 Sports Talk, and hosted a weekly high school coaches show.

In August 2016, Strathman made the trek to Central Kansas, jumping into the role as sports director for Rocking M Media – Salina/Abilene, a seven-station cluster. Strathman is the play-by-play voice of Kansas Wesleyan University, Salina South and Salina Central, and fills in for the KCAC Radio Network. He's the host of the KWU Coaches Show, Coaches Corner, a high school coaches show, and In The Zone, a daily, two-hour sports talk show.

Strathman has been recognized by the Kansas Association of Broadcasters, accumulating honors in play-by-play, sportscasting, and sports talk features.

# KBCA

## 2018 KBCA Media Award

**Jim Joyner**

**Sports Director, Play-by-Play**

**Mid-Kansas Radio--McPherson**

Joyner is the Sports and News Director at KBBE/KNGL, where he serves in a myriad of other capacities. In addition to broadcasting Bullpup sporting events, he is also the host of McPherson's popular daily sports talk show "According to Jim," where he and color analyst Steve Sell talk about the McPherson High teams, and local college and pro teams. The two also host the McPherson area's Coaches Show on Saturday mornings in the fall and winter.

Joyner has worked in all facets of radio and at all different sizes of stations. He worked in promotions at the eight different stations at Entercom Radio in Kansas City from 2013-17, as well as Great Plains Media in Lawrence from 2014-16. Joyner worked mainly with 1320 KLWN while in Lawrence, the flagship station for the University of Kansas Athletics, as well as various Play-by-Play jobs for the Lawrence and Free State High School teams.

Joyner is a graduate of Baker University, where he worked as an analyst with legendary broadcaster Tom Hedrick for four years. He broadcasted Baker football, basketball, baseball, soccer, volleyball and Baldwin High School football for four years. Joyner also covered all Baker teams as the school newspaper's sports editor for three years.

While at Baker, he won two first place awards from the Kansas Association of Broadcasters for Sports Play-by-Play, as well as various KAB awards and was twice a recipient of the KAB Scholarship. He also worked as a broadcaster in the Florida Collegiate Summer Baseball League in 2016, where he was named the league's Broadcaster of the Year.

Joyner has broadcasted two NAIA national championship games for Baker in women's basketball and football. He has also broadcasted games for the NAIA Network for two men's basketball tournaments in Kansas City, including the 2017 Final Four, as well as various state basketball tournaments and playoff football games.

Joyner attended Olathe East High School, where he played three years of varsity baseball for the Hawks in the Sunflower League.

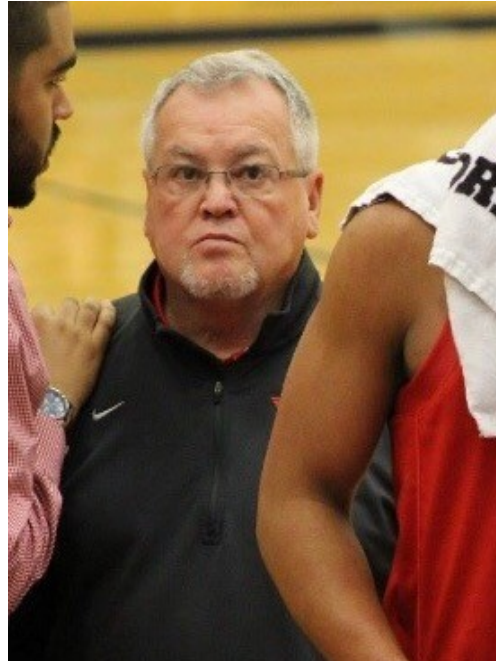

# KBCA

## Clint Hill Service Award 2018

**Mike Nash**

**Topeka, Ks.**

Mike Nash was born August 3<sup>rd</sup>, 1947 in Holdrege, Nebraska. In his early years he lived in Alma, Nebraska, Long Island, Kansas and Agra, Kansas. After his sophomore year his family settled down in Atchison, Kansas and he graduated from Atchison High in 1965. He attended Emporia State University and graduated in 1969. His first job would take him to Willcox, Arizona to teach Physical Education and coach basketball, baseball and football.

After spending 1 year in Arizona, he moved back to Kansas and began his work at Shawnee Heights High School. From 1971-2003 Mike Nash taught a variety of subjects including P.E, Health and Teen Topics. During this same period Nash would involve himself very strongly in the Shawnee Heights and Topeka communities. From 1993-2000 Nash would help and organize the youth baseball programs in Topeka. He would also serve as project manager and groundskeeper at Shawnee County Baseball Association during the 90's. Nash is never one to stop working, so when he retired from teaching he picked up a job as a member of the Hummer Sports Park staff. He would help coach in AAU and MAYB tournaments as well as do groundwork at Hummer for the USD 501 public schools.

During his time at Shawnee Heights he tried to be involved in every aspect of athletics. He was an assistant football coach at the high school from 1971-1985. He coached Track and Field for the middle school from 1971-1981 and become the head track and field coach for the high school in 1982. He would serve in that position until 2003 and won 2 State Championships in 1989 and 1993. Nash who is a self admitted "basketball junkie" would coach a variety of levels for the school. He coached boys and girls middle school basketball as well as 9<sup>th</sup> grade and JV for the high school. It wasn't until 2011 after he had been retired for 8 years already that the school asked him to return to be the Varsity assistant for the boys' basketball team. He continues to serve in that role sharing "wise words" at each practice and game. In 2017, Mike Nash was a vital member of the team and staff that won the 5A State Championship.

Nash continues to serve in the high school to this day. In 2011 he was brought back to be in charge of the In-School Suspension program. Throughout the school it is commonly referred to as the "Nash Learning Academy." His care for youth continues to bring him back each day to help direct them down a path to make better decisions and learn from their mistakes. This all would come from the influence of his father Elmo Nash.

Elmo Nash taught and coached throughout the 1940's and 1960's. He coached 6-man football and the BB division of basketball during this period. A successful coach in North Central Kansas, riding the bus to games with his father is what gave Mike Nash the "coaching fever." His hero was his father and the man that continues to influence him to this day.

"So thanks Pops, I don't get this honor without you...you were my Hero!"

# KBCA

## *2018 Student Athlete Courage Award*

*Taylor Robertson  
McPherson High School*

One of the greatest shooters in the history of Kansas learned her craft at an early age with the help of her father, Dave Robertson. Dave and Taylor could be found shooting and working on ball-handling skills at all hours of the day as they spent an extraordinary amount of time together as father and daughter. There was no place in the world that Taylor would rather have been as a young girl than in the gym with her Dad.

A love of the game was born and nurtured throughout Taylor's life, and no one had a more profound impact on that love than Dave. When Taylor reached middle school, Dave would be diagnosed with an aggressive form of colon cancer. His prognosis was not very good, but he continued to battle and fight with everything he had just so he could have more time with his wife and his two kids, Taylor and his son, Alex. He endured several years of treatments, surgeries, and experimental drugs. This was very difficult for Taylor to process and work through as a young girl, but she continued to excel at basketball and used that as her escape.

Dave and Taylor were still able to spend a lot of time in the gym together, though some days Dave was very limited as to what he could do. Dave far outlived the projections of his doctors after his initial diagnosis and treatments, but his health really took a bad turn during the second half of Taylor's junior season at McPherson High. Dave saw his daughter play for the last time at home in the McPherson Roundhouse at our Mid America Classic in late January of last year. This was also very difficult for Taylor to not have her father and best friend in the stands after all the time they had spent together in the gym while working on her game. Dave was barely able find the strength to attend our state championship game vs. Bishop Miege in 2017. This whole stretch and especially that game was very tough and emotional for Taylor, but she played outstanding...pouring in 30 points against the 4-time state champions. We came up just short as a team that season, and Taylor had wanted nothing more than for her Dad to see her hoist that state trophy.

Dave's health continued to deteriorate throughout the spring and he passed away on Sunday, May 7. Taylor continued with her love of the game even though it was very hard on her to go work out without her best friend and her favorite rebounder. Taylor fought through all of that emotionally and had another outstanding season as a senior. She met every goal that she set out to reach...finally winning our Mid America Classic over Manhattan and also getting that last big one checked off her high school bucket list, which was the state championship win over Bishop Miege. The emotions of the moment and her father's memory came pouring out, as it was such a powerful moment for everyone from McPherson that knew her story and what she had been through.

Taylor did everything right to honor her father's memory and he would be so proud of all that she has accomplished. To play so well last year knowing that her father's health was deteriorating rapidly, and to play outstanding again as a senior this year just shows the kind of commitment and character that Dave helped to instill in her along the way.

Taylor will continue her basketball career at the University of Oklahoma, which also happened to be her Dad's favorite school. Taylor will continue to always play with her Dad on her mind, and she will think of him every time the OU band plays the "Boomer Sooner" song. Taylor will continue to work extremely hard on her game and she will do everything possible to always make her father very proud of his little girl.

## *2018 Student Athlete Courage Award*

*Mandi Cooks*

*McPherson High School*

Mandi was a great 4-year player for our varsity at McPherson. After her first three seasons, she had received numerous All-League and All-State honors for Class 4A-I. We finished her junior year and 2017 season as Runner-Up to Bishop Miege. Following the 2017 season, she had some troubles with her knee. This made her miss the 2017 Track season, which kept her from defending her 2016 state championship in the High Jump.

Mandi was not able to participate in our high school basketball team events in June, but she was ALWAYS there to support her teammates and showed great leadership by doing so as she knew she couldn't be on the court. That was very tough for her to do. In early July, Mandi was cleared by her doctors to play in the big tournaments of July with her AAU team, the Kansas United.

Very shortly after being cleared for play, Mandi suffered a devastating injury at a tournament in Frisco, TX. She totally tore her Achilles tendon in her right leg, which is very unusual for a 17 year old. We feared that she would miss her entire senior season of sports, and possibly miss out on her dream of playing Division 1 basketball. Initial projections for recovery were better than we thought, with hopes of her being back in time to try to play in the post-season at best. Prior to her injury, Mandi had impressed the coaches at UT-San Antonio enough that they still wanted to sign her to a full-ride scholarship. Mandi signed with UT-SA in the early signing period.

Mandi worked extremely hard to try to come back to play this year. HOURS and HOURS of work with her physical therapy, but also work on her own in isolation with nothing around to motivate her but herself and her goals. We kept getting updates from her PT and she was gradually getting released...to start shooting, then running, jumping, and cutting. She had some good days and bad days, both in practice but also with her pain levels and mobility. It was just a very emotional time and stressful for her to NOT know how her leg was going to respond on a given day, but it continued to show improvement overall.

Just a few weeks after being allowed to gradually build up in practice, Mandi was released for game action the week of our Mid America Classic. She was on a very limited and strict minutes limit, so she played about 2 minutes per quarter for the first two nights. However, in the finals of our tournament against defending state champion in Class 6A Manhattan, Mandi showed and proved to us that she was going to be able to contribute in a mighty way. In 16 minutes, Mandi scored 15 points on 6-6 shooting and 3-4 from the FT line...which helped greatly in defeating Manhattan.

The whole month of February would prove to be a challenge, as Mandi had some real up-and-down days again. She had to continue to battle the inconsistency of her leg and the overall healing/strengthening process. This was not easy emotionally. Once again though, she saved her best for last. After struggling a little bit in the first two rounds of state, Mandi dug deep to play for a season high 24 minutes in the state title game, again vs. Bishop Miege. She played great defense all game, finished with 11 points and had two HUGE offensive rebounds/putbacks during our 9-point comeback in the last 2:20 of regulation. We do not even get that game to OT without Mandi's relentless effort.

Mandi overcame so much physically AND mentally to be able to play with her teammates this season. We all know we would not have won a state title without her work that started with surgery and rehab way back in July. Her family, coaches, and her teammates are so proud of the strength and courage that she showed throughout her rehab and comeback during the 2018 state championship season.

**Josh Walters**

**Labette County High School**

**Grizzlies**

Can you imagine you are an 8<sup>th</sup> grader without a care in the world and the spring before high school you find out your dad has pancreatic cancer? As Josh entered high school, his dad was still fighting this disease, and he showed an upbeat, positive, selfless attitude with his peers, instructors and coaches. In fact, if you didn't know Josh's situation, you wouldn't know his troubles. His teammates looked up to him because of the leadership shown in practices and games. This was just the start of his high school career.

In high school Josh has been involved in FCA, the LCHS family support group, (serving and helping others), NHS, the leadership ambassador program, and mentored several elementary students as a positive role model, not to mention participation in basketball, football, baseball and golf.

Josh's Dad passed away his sophomore year directly after the basketball season on March 8, 2016. Josh showed tremendous courage for his team and family even though he experienced something traumatic. Josh started on the basketball team every game that year being strong and positive as ever.

Basketball was his "out" to get away from all the stress. Josh's faith was unbelievable.

During his Junior basketball season Josh's playing time was diminished substantially, but you wouldn't know because of his positive attitude. This spoke loudly and clearly to his teammates and it showed Josh was more concerned about his team than himself. His positive leadership helped his team make the 4A DI State basketball tournament even though he had limited playing time. His unwavering loyalty to the basketball program, and his positive attitude towards his teammates and coaches was something special to observe and not common place for individuals in the athletic arena. Again, his courage was unmatched.

Josh's senior year was going to be, "up in the air", on how it was going to go. His positive attitude prevailed again. He started as tight end on the football team and helped lead the LCHS football team to the 3rd round of the 4A playoffs. In basketball, he regained his starting position through hard work and determination. He never made excuses or blamed anyone for anything. He helped lead the LCHS basketball team back to the 4A DI State Basketball tournament again. Most importantly Josh's courage throughout his high school career showed through stronger than ever.

In Josh's high school career his teammates recognized him twice as being the Most "Inspirational Player" and his coaches have twice awarded him with the "Heart of Champion" Award for being such a great teammate to others. His maturity as a young high school student athlete was very courageous for all to see, it has been so selfless. He never lost focus of what his mom and dad wanted him to be.

## Don Jones Courage Award 2018

**David Chamberlin**

**Haven, Ks.**

**(Posthumously)**

David Chamberlain began his basketball career early in life in Haven, KS. Once in high school, David helped lead his team to 18 consecutive wins and a trip to the state tournament his senior year. The team placed 4<sup>th</sup> in the tournament. Additionally, David led the golf team to a 2<sup>nd</sup> place finish at State his junior year, and a 1<sup>st</sup> place finish at State his senior year. Individually, he earned several 1<sup>st</sup> place finishes in the varsity division.

After graduating in 1985, David headed to York College for 2 years before transferring to Oklahoma Christian University in Edmond, OK. He played both golf and 3-on-3 basketball at OCC and eventually won the 3-on-3 national championship.

After graduating college, David knew basketball and helping people were in his blood. For over 20 years David coached youth football and basketball through the Haven Recreation Center. He also coached middle school football and both high school boys and girls basketball. While coaching the Haven Lady Cats, David helped lead the team to 3 state appearances.

Helping people was David's passion. He always had time to lend a hand in the Haven community, and his friends and family meant the world to him. David often spoke about how proud he was of his two children, Paige and Jared, and he loved his grand doggie, Otis. In fact, he often wore a tie with Otis's face on it to basketball games. David loved spending time with his girlfriend, Debra Blomquist, and often shared about the many adventures they had together. When not coaching basketball, you could often find David swinging his clubs on the golf course.

David was an important and cherished member of the Haven community. His love for basketball was infectious; he is, and will continue to be, greatly missed and loved.
