

Spirit Shirt Sponsor Form

RSL-AZ

Thank you for taking the time to consider being a partner with **RSL-AZ**. Our program is designed to offer players the best possible soccer experience that teaches soccer and life skills, which players can use on and off the field, now and in the future. Club soccer comes with a financial commitment (tournaments, travel, and team expenses) that is sometimes difficult for our families. We are seeking sponsors to help defray these additional expenses. Our goal is to offer the opportunity to play soccer to all kids regardless of their family's financial position. Your generous support is greatly appreciated by the players and their families and we look forward to a successful and positive relationship.

As a Sponsor of an RSL-AZ team your name and logo will be placed on team shirts which are worn by players and their families at all league games (~15) & tournament games (~25) and "around town". In addition to these "walking billboards", sponsors at \$400 or more will also receive the added benefit of being listed and promoted in our exclusive RSL-AZ online service directory with your logo and basic details as part of our SPIRIT-Shirt sponsorship. Sponsors will also have access to other fee-based marketing opportunities moving forward (banner ads, banners in newsletters, targeted email campaigns, discounts on tournament program advertising, etc.)
